

OREGON Cordless Tool System

POWER ON

The only saw with integrated PowerSharp®

oregoncordless.com **ALWAYS READY**

POWER ASCENDERS - FOR PROFESSIONALS.

ActSafe Power Ascenders are an ingenious combination of a high-capacity rope wrench in a compact, lightweight and well-thought design. They occupy minimal time positions for working in vertical environments.

ActSafe ACX

- simplifies and accelerates work on complex or difficult to access structures
- power-saving use
- remote control up to 150m

ActSafe RCX

- for effortless and efficient rescue operations
- D-24 aluminium up to 250kg
- IP 67 standard
- variable rope grab system

ActSafe IS PART OF **SKYLOTEC**

Another quiet day at the office.

The New Cordless MSA 100 T Arborist Saw

MSA is proud to announce the launch of the new Cordless MSA 100 T Arborist Saw. This saw is designed for professional arborists and is the most powerful cordless saw available. It features a 100V lithium-ion battery and a powerful motor that can cut through even the toughest wood. The saw is also equipped with a safety system that prevents accidental cuts. For more information, visit www.msa.com.

STIHL

Scion™ Climbing Line

Featuring a heavy polyester 24 strand strand with reinforced core, the Scion climbing line is designed for climbing trees up to 100 feet. It is also suitable for use with climbing lines. Scion is made of 100% recycled material and is designed with a low profile, high strength core that allows the line to pass through tight spaces.
